OUR LADY OF ARMENIA CONVENT

May 3, 2021

Dear Members of the St. Gerardus Majella Parish,

With profound gratitude and heartfelt appreciation, we wish to thank you for your loving solicitude and generous donations for the realization of our Food Distribution Project to Nagorno-Karabakh refugees, the families of deceased and seriously injured soldiers and the needy families as a result of Covid-19. You enabled us to satiate not only the physical hunger of hundreds of adults and children, but to assist them in their suffering, knowing that, hundreds of miles away, there are people thinking of them, sharing their pain and struggles, and willing to provide for their needs.

I am sure many of you made real sacrifices to donate and, perhaps, some of you gave all you had, following the example of Gospel's widow, Marc 12:41-44. We do ask the Lord to reward you thousand-fold and to grant you health and prosperity in order that you will continue helping the poor and the needy.

As you well know, our world is in turmoil because of the pandemic and in many countries, the wars are forcing people to leave their homeland, thus subjecting themselves to tragic deaths and/or inhumane refugee camp living.

Life in Armenia has become unbearable with the defeat of Nagorno-Karabakh war, the different political parties fighting each other and the common people struggling for survival. Our Sisters in Armenia are overwhelmed with the execution of humanitarian projects and the care of orphaned children, solitary elderly and bewildered refugees. We thank the Lord for people such as yourselves who help us in our difficult but God-pleasing activities of providing physical and spiritual assistance to the needy.

Thank you again and may the Lord bless you and keep you all under His loving and paternal protection.

Cordially,

Sister Arousiag Sajonian
